# Index to Civil Engineering

JANUARY—DECEMBER 1950

## Subject Index

### AERIAL PHOTOGRAPHY

- "Aerial Survey Methods Solve Highway Location Problems in Tropics," William T. Pryor (Oct. '49) . . . 38  
Discussion by author . . . 38  
American Society of Photogrammetry annual meeting . . . 138  
"Photogrammetry Locates 208 Miles of Pennsylvania Turnpike Extensions," Frank J. Williams . . . 761

### AERODYNAMICS

- Air Force Test Center under construction . . . 617  
Discussion by D. B. Steinman giving observations on inclination of wind for bridge design . . . 270  
National Advisory Committee for Aeronautics builds lab facilities . . . 798

### AIRPORTS

- "Airlift Airfield Gets Heavy Concrete Runway," Willard C. Jensen . . . 645  
Expansion of nation's program urged . . . 483  
Puerto Rico airport studied . . . 741  
See also Hangars

### ALUMINUM

- Bucket for heavy excavating . . . 288  
"Canadians Build World's First Aluminum Arch Bridge," C. J. Pimenoff . . . 501  
Production reaches six-year high . . . 802

### AMERICAN SOCIETY OF CIVIL ENGINEERS

- Awards and Prizes  
Alfred Nobel Prize open . . . 476  
Daniel Mead Prize paper due . . . 198  
Daniel Mead Prize subject announced . . . 610  
Freeman Fellowship applications . . . 791  
J. Waldo Smith Fellowship available . . . 336  
J. Waldo Smith Prize to A. W. Van't Hul . . . 733  
Prizes awarded at 1950 Annual meetings . . . 41, 674  
Research Program Prize, first award to John S. McNown . . . 198

### Ballots

- Final ballot for 1950 officers . . . 125  
First ballot for 1951 officers . . . 538  
Final ballot for 1951 officers . . . 678  
Members urged to report non-receipt of . . . 414

### Board of Direction

- Abstract of Los Angeles Meeting, April 24, 25 . . . 410  
Abstract of Toronto Meeting, July 10, 11 . . . 537  
Actions at Chicago Meeting, Oct. 9, 10 . . . 730

### Centennial Celebration

- To be held in Chicago . . . 52  
Committee appointed . . . 337  
Headed by Lenox R. Lohr . . . 604  
Broad scope outlined . . . 732  
Has far-reaching objectives . . . 794

### CIVIL ENGINEERING

- Available in microfilm . . . 475  
Back copies needed . . . 338, 541  
Printer Harvey F. Mack honored . . . 51

### Code of Ethics

- Board studies change in . . . 607  
Revised code ready for framing . . . 52

### Committees

- Committee on Professional Conduct and Committee on Private Engineering Practice recommendations . . . 606

### Constitution

- Discussion by Albert S. Fry censuring procedure on adoption of new constitution and answer by New Constitution Committee . . . 269

### Proposed revision to be discussed at 1950 Annual Meeting

- Proposed revision explained by New Constitution Committee . . . 196

### Revisions adopted by big majority

- Revisions adopted by big majority . . . 335

### Employment

- ASCE-AGC Committee aids students . . . 475  
Data prepared for Student Chapter graduates . . . 476

### Policy on employment of engineers in federal service on foreign work

- Policy on employment of engineers in federal service on foreign work . . . 335

### Fees

- Discussion of "Interim Report: A Method of Estimating Fees for Pro-

ISSUE	PAGE NUMBERS
January . . . . .	1-80
February . . . . .	81-160
March . . . . .	161-236
April . . . . .	237-300
May . . . . .	301-374
June . . . . .	375-438
July . . . . .	439-500
August . . . . .	501-570
September . . . . .	571-644
October . . . . .	645-698
November . . . . .	699-758
December . . . . .	759-816

### Professional Civil Engineering Services," by Gustav J. Requardt . . . 37

### Honorary Members

- Biographies of 5 new members . . . 40

### Insurance

- Extend Group Disability Plan to members in Armed Forces . . . 680

### Group Plan lowers cost . . . 273

### Joint Cooperative Committees

- ASCE-AGC meets in Toronto . . . 605

### Juniors

- Metropolitan Juniors sponsor refresher course . . . 475

### Metropolitan Juniors visit Delaware Water Project . . . 476

### Philadelphia Juniors sponsor Speakers Bureau . . . 200

### Life Members

- 195 added to rolls . . . 607

### Local Sections

- Asked to aid in civilian defense . . . 788

### District 9 Council holds first meeting . . . 736

### District 9 Council organized in Dayton . . . 610

### Intermountain Conference in Denver . . . 414

### Los Angeles offers construction seminar . . . 541

### Maine Local Section formed . . . 607

### Mexico Section formed . . . 338

### Mid-South meets with Hydraulics Division in Jackson, Miss. . . 542, 605, 670, 787

### Midwestern and Northwestern Conference scheduled for Chicago . . . 541

### Northwest Conference in Tacoma . . . 271

### Pacific Northwest and District 10 Conference . . . 474

### Pittsburgh visits Conemaugh Dam near Saltsburg, Pa. . . 612

### San Francisco forms technical committees . . . 477

### San Francisco committee reports on subsidence . . . 337

### Utah cooperates in state engineering council . . . 794

### Meetings

- Annual Meeting, New York, Jan. 18-20 . . . 40, 118

### Activities described . . . 95, 101

### Technical Division abstracts . . . 476, 605, 728

### Chicago Annual Meeting, Oct. 11-14 . . . 600

### Activities described . . . 541, 789

### Program . . . 123, 195, 272, 408

### Houston Convention, Feb. 1951 . . . 161

### Activities planned . . . 334, 473, 535

### Los Angeles Spring Meeting, April 26-29 . . . 404

### Activities described . . . 677

### Program . . . 273

### Toronto ASCE-EIC Joint Summer Meeting, July 12-14 . . . 730

### Activities described . . . 673

### Program . . . 478

### Membership . . . 794

### As of Sept. 9, 1950—26,701 members . . . 794

### Register for 1950 to be issued . . . 794

### Retirement procedure explained . . . 50

### Officers . . . 50

### Elect nine new officers for 1951 . . . 50

### President . . . 50

### Gail A. Hathaway nominated . . . 50

### Ernest E. Howard tours West Coast Sections . . . 50

### Ernest E. Howard visits 75 groups . . . 50

### Publication of Separates gets underway . . . 122

### Publication of Separates opposed in discussion by Hunter Rouse . . . 117

### Separates approved in discussion by Forrest E. Jones . . . 194

### Separates available in subscription . . . 736

### Separates to be issued as TRANSACTIONS . . . 414

### Publicity . . . 275

### Radio program honors Judah . . . 336

### Secretary . . . 336

### George T. Seabury's widow dies . . . 414

### Student Chapters . . . 411

### Commended by Board of Direction . . . 271

### Nine regional spring conferences . . . 336

### Northwestern Student Conference at Montana State College . . . 610

### Univ. of Massachusetts Chapter installed . . . 610

### University of Utah Chapter honored . . . 610

### Technical Divisions . . . 125, 791

### Air Transport Committee on Correlation of Runway Design Procedures meets in Denver . . . 610

### Appointments to Executive Committees . . . 125, 791

### Hydraulics Committee on Hydrology lists reading . . . 274

### Hydraulics meets with Mid-South Section in Jackson, Miss. . . 542, 605, 670, 787

### Hydraulics meeting program . . . 670

### Irrigation Division Subcommittee on Drainage activated . . . 476

### Soil Mechanics and Foundations Division Committee on Sampling and Testing issues report Subsurface Exploration and Sampling of Soils for Civil Engineering Purposes . . . 416

### TRANSACTIONS . . . 414

### Proceedings Separates to be issued as . . . 121

### Yearbook . . . 121

### Membership listing made available . . . 121

### AMERICAN SOCIETY FOR ENGINEERING EDUCATION . . . 552

### Annual meeting . . . 483

### Middle Atlantic Section meets . . . 789

### Slump in engineer enrollments reported . . . 789

### AMERICAN SOCIETY OF MECHANICAL ENGINEERS . . . 790

### Dues increase voted . . . 548

### Officers for 1951 chosen . . . 548

### AMERICAN SOCIETY FOR TESTING MATERIALS . . . 544

### 53rd annual meeting . . . 344

### Research initiated by committees . . . 344

### AQUEDUCTS

### "Delaware Aqueduct Metering and Control Equipment Incorporates Many New Features," Walter J. Gress . . . 212

### ATOMIC ENERGY . . . 142

### ASCE members named to Advisory Committee . . . 709

### "Can We Design for Atomic Blasts?" Arsham Amirikian . . . 62

### Contract let for Oak Ridge gaseous diffusion plant . . . 62

### Nuclear Reactor Testing Station to be built near Arco, Idaho . . . 484

### Recommended design of structures . . . 342

### Research project to be located in San Francisco . . . 342

### AWARDS AND PRIZES . . . 554

### Fulbright Grants for study abroad . . . 205

### Moles present 1950 awards . . . 802

### Moles announce 1951 awards . . . 200

### Washington Award goes to Wilfred Sykes . . . 200

### See also Welding . . . 200

### BEAMS

### "Solution Presented for Trapezoidal Loading on Beams," Elihu Geer (July '49) . . . 332

### Discussion by Joseph Zalkin . . . 113

### "Unsymmetrically Loaded Continuous Beam Designed by Graphical Calculus," Brent C. Jacob . . . 726

### Discussion by A. A. Eremin . . . 726

### See also Structural Engineering . . . 726

### INDS

### Competition for professional services opposed by Boston Society of Civil Engineers . . . 344

## BRIDGES

American Institute of Steel Construction awards for steel bridges . . . . .	683
Boston Viaduct progresses . . . . .	741
"Bridge Cables Tested for Effects of Cross-Pressure," C. D. Meals . . . . .	660
"Bridge Waterway Area Formula Developed for Indiana," Robert B. Yule . . . . .	650
Brooklyn Bridge repair contracted for . . . . .	208
Caissons for George P. Coleman Memorial Bridge, York River, Va. . . . .	208
"Canadians Build World's First Aluminum Arch Bridge," C. J. Pimenoff . . . . .	501
Delaware Memorial Bridge pier . . . . .	420
Discussion by D. B. Steinman giving observations on inclination of wind for bridge design . . . . .	270
"Dry Ice Creates Frozen Cofferdams for Bridge Pier Repair" (Winnipeg) A. J. S. Taunton . . . . .	508
"Ford Avenue Bascule Bridge Jacked Up 7 1/2 Ft in Four Days," R. Howard Annin . . . . .	378
"Longest Continuous Prestressed Concrete Girders Carry Scaly Bridge Traffic Over Meuse River," G. Magnel . . . . .	450
"Mammoth Tremie Seal Poured in 7 1/2-Day Continuous Operation" (Delaware Memorial Bridge) Carl H. Cotter . . . . .	711
Monongahela River highway bridge . . . . .	290
Mystic River Bridge completed . . . . .	342
"New Lift Bridge Is Cantilevered Over Old (Tombigbee) Swing Span," W. H. Barnard . . . . .	382
Proposed bridge across Straits of Messina . . . . .	741
"Slip Forms Reduce Cost of Tall Bridge Piers," Ralph Holt . . . . .	777
"Southern Railway Crosses Cumberland River 270 Ft Above Stream Bed," J. B. Akers . . . . .	651
Tacoma Narrows Bridge nears completion . . . . .	481, 624
"\$10,000,000 Toll Bridge Over Mississippi River Financed by East St. Louis, Ill.," Craig P. Hazellet . . . . .	178
"1,400-Ton Railroad Bridge Is Pulled Into Position in 30 Minutes" (at Iselin, N.J.), Morris Goodkind . . . . .	31

## BUILDING CODES

Conference on N.Y. State codes . . . . .	426
--	-----

## BUILDING RESEARCH ADVISORY BOARD

Effect of climate studied at conference . . . . .	132
Research program announced . . . . .	288
Schedules second meeting . . . . .	740

## BUILDINGS

Army building designed for Arctic . . . . .	618
Bids on Oklahoma City Hospital . . . . .	470
"Builders View Problems of Constructing United Nations Headquarters," Lou R. Crandall . . . . .	110
Building Research Advisory Board to study effect of weather . . . . .	61
Contract awarded for Los Angeles hotel . . . . .	479
"Earthquake Resistant Design Incorporated in Portland, Ore., Bank Building," R. E. Kennedy . . . . .	460
"Engineers Play Vital Role in Building Construction," J. P. H. Perry . . . . .	6
Discussion by A. H. Davison . . . . .	194
Los Angeles contracts for underground garage . . . . .	746
"Los Angeles Processing Plant Utilizes Steel Framing on Top of Concrete Flat-Slab," Leslie A. Irwin . . . . .	452
New Orleans to plan civic center . . . . .	616
Philadelphia firm to build VA Hospital . . . . .	132
Rise in urban construction . . . . .	418
Simplification Can Save Money on Government Buildings," Francis Tompkins, and "New Standards Are Reducing Costs in Public Building Construction," W. E. Reynolds . . . . .	83, 88
Discussion by Jacob Feld . . . . .	194
Discussion by John P. Riley . . . . .	332
Discussion by Francis Tompkins . . . . .	333
Tennessee Gas Transmission Co. plant . . . . .	544
Utica, N.Y., hospital addition contracted for . . . . .	480
White House subcontract to New York firm . . . . .	58
Work to start on Boston department store . . . . .	341

## CABLES

"Bridge Cables Tested for Effects of Cross-Pressure," C. D. Meals . . . . .	660
---	-----

## CAISSONS

"Floating Caisson Facilitates Repair of Grand Coulee Spillway Bucket," L. V. Downs . . . . .	255
George P. Coleman Memorial Bridge, York River, Va. . . . .	208
Yorktown Bridge site . . . . .	484

## CANALS

"Big Machines Speed Delta-Mendota Canal Construction," O. G. Boden . . . . .	316
"Dikes and Basins Protect Coachella Canal Against Flash Floods," W. R. Slater, Howard G. Curtis, Paul A. Oliver . . . . .	719
"Man-Made Rivers of Columbia Basin Rival Natural Waterways," A. J. Davidson . . . . .	320

## CEMENT

Center for research dedicated . . . . .	480
Plant increases facilities . . . . .	422

## CITY PLANNING

"Comprehensive Planning Can Solve Metropolitan Transportation Problems," Leslie Williams . . . . .	174
El Paso, Tex., establishes department of . . . . .	206
Philadelphia plans public improvements . . . . .	798
Third annual Symposium on Problems of the Modern City . . . . .	424
U. S. Chamber of Commerce calls conference on urban problems . . . . .	741

## COFFERDAMS

"Dry Ice Creates Frozen Cofferdams for Bridge Pier Repair" (Winnipeg) A. J. S. Taunton . . . . .	508
"Mammoth Tremie Seal Poured in 7 1/2-Day Continuous Operation" (Delaware Memorial Bridge) Carl H. Cotter . . . . .	711
"New Lock and Dam (at Morgantown, W. Va.) Provide for Expanding River Traffic," R. B. Jackson . . . . .	759
"Unique Cofferdam Fills Old Man River," George F. Play . . . . .	780

## COLUMNS

Variation in allowable column loads discussed by J. M. Biggs . . . . .	116
--	-----

## COMPETITIONS

Universal Concrete Pipe competition open to students . . . . .	616
See also Awards and Prizes . . . . .	

## CONCRETE

American Concrete Institute meets in Boston . . . . .	62
ACI 46th annual convention . . . . .	284
"Concrete (for Hungry Horse Dam) Poured at Rate of 6,000 Cu Yd per Day," C. F. Palmeter . . . . .	768
Council on Reinforced Concrete Research meets . . . . .	52
Discussion of inspection of "controlled concrete" by Alden M. Klein . . . . .	334
"Shrinkage of Concrete Blocks Calls for 30-Day Curing Period Prior to Use," Paul C. Ness . . . . .	724
"Simple Diagram Gives Direct Solution for Stresses in Reinforced Concrete Members," Erik Sollid . . . . .	34
"Two Test Structures of Prepacked Concrete Completed at Vicksburg Experiment Station," Herbert K. Cook . . . . .	184
"When Concrete Becomes Discrete," Homer M. Hadley . . . . .	249
Discussion by Homer M. Hadley . . . . .	333
Discussion by Herbert A. Sawyer, Jr. . . . .	470
Discussion by L. E. Grinter . . . . .	471
Discussion by A. D. Topping . . . . .	668
Discussion by Homer M. Hadley . . . . .	668
"Winter Concreting Can Be Economical," Gordon Mitchell and R. B. Young . . . . .	511
See also Prestressed Concrete . . . . .	

## CONSTRUCTION COSTS

"Mass Production Methods Reduce Construction Costs of Private Housing," C. A. Monroe . . . . .	572
"Owner-Contractor Cooperation Cuts Toronto Subway Construction Costs," Charles B. Molineaux . . . . .	523
"Putting More Sense Into the Public Construction Dollar," symposium by Ross White, Francis Tompkins, Grant Bloodgood, and W. E. Reynolds . . . . .	81, 83, 85, 88
"Stable Construction Costs for Next Year or Two Predicted," Geo. H. Atkinson . . . . .	391

## CONSTRUCTION EQUIPMENT

Aluminum bucket for heavy excavating . . . . .	288
"Construction Plant at Mount Morris Dam Organized to Meet Rigid Specifications," W. V. Greeley . . . . .	582
"Dikes and Basins Protect Coachella Canal Against Flash Floods," W. R. Slater, Howard G. Curtis, Paul A. Oliver . . . . .	719
"Experimental Pneumatic Roller Promises Reduced Compaction Costs," J. G. Patrick and R. J. Pope . . . . .	36
"Home-Made Equipment Saves Connecticut's Highway Dollars," G. Albert Hill . . . . .	176
"Land Leveling Procedure Utilizes Heavy Equipment," William L. Meikle . . . . .	715
Moto-Crane speeds trestle construction . . . . .	532
Seven-mile belt conveyor moves aggregate for Bull Shoals Dam . . . . .	806
"Siamese-Twin" D8 tractor . . . . .	346
"Standard Tests for Construction Equipment Developed by Corps of Engineers," R. K. Lockwood . . . . .	662
Used on Hartford housing project . . . . .	483

## CONSTRUCTION INDUSTRY

AGC San Francisco convention . . . . .	286
AGC Survey shows labor and material shortages . . . . .	686
ASCE-AGC Committee aids student employment . . . . .	475
ASCE-AGC Joint Cooperative Committee meets in Toronto . . . . .	605

Carlton Proctor elected head of CIAC at recent meeting . . . . .	341
"Civil Engineers Can Further Aims of United Nations," Ernest E. Howard . . . . .	94
"Engineers Play Vital Role in Building Construction," J. P. H. Perry . . . . .	6
Discussion by A. H. Davison . . . . .	194
AGC forecasts record year . . . . .	544
Netherlands group tours U. S. . . . .	346

## CONSTRUCTION VOLUME

Monthly reports presented . . . . .	58, 210, 418, 481, 616, 684, 798
City building reaches postwar high . . . . .	744
Decline in dollar volume in 1951 seen . . . . .	806
Drop in production of materials . . . . .	284
Industrial building swells volume . . . . .	740
Mid-winter record reported . . . . .	286
More than \$19.3 billions for 1949 . . . . .	132
Reaches all time peak . . . . .	341
Record outlay for new construction predicted . . . . .	546
Slight drop foreseen in 1950 . . . . .	57

## CONTRACTS

Standard owner-architect contract declared illegal . . . . .	422
--	-----

## DAMS

Allatoona Project starts power production . . . . .	206
Belton Dam outlet works contracted for . . . . .	420
Bhakra Dam studied in Colo. A & M lab . . . . .	554
Cannonville Dam project approved . . . . .	799
Chief Joseph Dam bids requested by Army . . . . .	282
Chief Joseph Dam Project started . . . . .	546
Chief Joseph Dam generators contracted for . . . . .	616
"Common Sense Can Promote Economy in Dam Construction," Ross White . . . . .	81
Discussion by H. H. Roberts . . . . .	270
Discussion by Clarence Rawhauser . . . . .	402
"Construction (of Hungry Horse Dam)—Concrete Poured at Rate of 6,000 Cu Yd per Day," C. F. Palmeter . . . . .	768
"Construction of Davis Dam Adapted to Foundation Conditions," H. F. Bahmeier . . . . .	307
"Construction Plant at Mount Morris Dam Organized to Meet Rigid Specifications," W. V. Greeley . . . . .	582
Construction progresses on Neversink Dam . . . . .	58
"Design of Dam Outlet Trash Rack Verified by Model Tests" (Little Pine Creek Dam), M. B. McPherson . . . . .	530
"Design (of Hungry Horse Dam)—Variable Thickness Arch Fits V-Shaped Canyon," L. G. Fuls . . . . .	764
Falcon Dam contract signed . . . . .	798
"Field Bearing Tests Verify Laboratory Findings," Evan W. Vaughan (Oct. '49) . . . . .	38
Discussion by Stephen M. Olko . . . . .	38
"Field Test Determines Foundation Modulus for Bayou Bodcau Dam," Woodland C. Shockley . . . . .	446
"Floating Caisson Facilitates Repair of Grand Coulee Spillway Bucket," L. V. Downs . . . . .	255
"Flow-Net Construction Simplified by Using Principle of Magnetic Field," H. E. Hurst and S. Leliavsky Bey . . . . .	268
Ground broken for Whittier-Narrows Dam . . . . .	346
Hudson River Dam proposed . . . . .	206
Large Dams Congress to be held in New Delhi, India . . . . .	210
Savings from constant-angle dam design discussed by J. J. Polivka . . . . .	727
Lavon Dam contract let . . . . .	142
Nebraska Dam project contract . . . . .	546
"New Lock and Dam (at Morgantown, W. Va.) Provide for Expanding River Traffic," R. B. Jackson . . . . .	759
"Record Blast Provides 1.8 Million Cu Yd of Rock for South Holston Dam," George K. Leonard . . . . .	187
Spillway Section of Whitney Dam Rises Above Brazos River, Texas . . . . .	251
"Uplift Pressures in Concrete Dams Constructed by the Bureau of Reclamation," Kenneth B. Keener (Nov. '49) . . . . .	39
Discussion by Carvel B. Case . . . . .	39
Discussion by Kenneth B. Keener . . . . .	39
"Winter Concreting Can Be Economical," Gordon Mitchell and R. B. Young . . . . .	511
See also Tainter Gates . . . . .	

## DREDGING

"San Diego Plans \$26,000,000 Playground," Glenn A. Rick . . . . .	301
--	-----

## DRY ICE

"Dry Ice Creates Frozen Cofferdams for Bridge Pier Repair" (Winnipeg) A. J. S. Taunton . . . . .	508
--	-----

## EARTHMOVING

"Record Blast Provides 1.8 Million Cu Yd of Rock for South Holston Dam," George K. Leonard . . . . .	187
--	-----

## EARTHQUAKES

"Earthquake Resistant Design Incorporated in Portland, Ore., Bank Building," R. E. Kennedy . . . . .	460
"Oversimplification of Earthquake Factors Held Hazardous Design Practice," Elliott B. Roberts . . . . .	175

**ECONOMICS OF ENGINEERING**

- "Do Bankers Need Engineers?" A. J. Gock 303

**EDUCATION**

- "Civil Engineering First Taught at Norwich University," David L. Snader 352  
Record engineering enrollment 64  
See also American Society for Engineering Education

**EMPLOYMENT**

- "Demand Exceeds Supply of Engineering Graduates" Thorndike Saville 622  
Demand for engineering graduates 552  
Outlook for civil engineers called good 348  
Survey shows drop for 1950 graduates 274  
"What Is the Right Job for Me?" Allen P. Richmond 772

**ENGINEERING FOUNDATION**

- B. A. Bakhmeteff elected chairman 49  
Council on Reinforced Concrete Research meets 52  
Reports research advances 275

**ENGINEERING SOCIETIES LIBRARY**

- Papers placed in for reference 732  
Reference material available in 278

**ENGINEERING SOCIETIES PERSONNEL SERVICE**

- New manager for Detroit office 480  
Staff of Chicago office increased 350  
See also "Men and Positions Available" in each issue

**ENGINEERS AND ENGINEERING**

- Discussion of development of definitions by F. T. da Silva Telles 533  
"The Plant Engineer—Jack of All Trades and Master of Many," James C. Begg 575  
See also Professional Advancement

**ENGINEERS' COUNCIL FOR PROFESSIONAL DEVELOPMENT**

- Engineering curricula accredited by 63, 790  
Publishes bibliography 200  
Review of October meeting 790

**ENGINEERS JOINT COUNCIL**

- "A National Water Policy Needed" (Recommendations of EJC Water Policy Panel) 443  
Advocates national policy on water resources 199  
Conference on national defense with Secretary Johnson 409  
Data for Military Establishment questionnaire urged 341  
Endorses Pan-American engineering group 200  
EJC nominees appointed to national science board 788  
Engineering Manpower Commission established by EJC 733  
Engineers to advise Civil Service Commission 606  
November meeting summarized 788  
"Over-All National Policy a Necessity" (Recommendations of the Water Policy Panel), W. W. Horner 506  
Reports 1949 activities 120  
Reports progress on unification of profession 539  
Survey of engineers and scientists for U. S. Office of Naval Research 134  
Survey of Engineering Personnel completed 606  
Survey shows drop in employment of 1950 graduates 274  
U. S. Manpower policy outlined 686  
Water Resources Policy reviewed by EJC-ASCE Advisory Committee 731

**EXPLOSIVES**

- "Record Blast Provides 1.8 Million Cu Yd of Rock for South Holston Dam," George K. Leonard 187

**FLOOD CONTROL**

- Corps of Engineers begins Kansas project 548  
Corps of Engineers starts Florida project 284
